Sir,

In submitting herewith the letter R.O.C.No. 158 Sub. of 27 dated 9-3-27 from the President, Taluk Board, Kollegal, I have the honour to state that as the additional cost now claimed by the Board is due to the circumstances which were beyond the Board's control and as it was not anticipated at the time when the cost of acquisition was estimated, I recommend the payment of Rs. 962-8-8 from provincial funds. The sum of Rs.443-11-6 being the expenses incurred by the Taluk Board in conducting the case should be met by the Board from its own funds

as law charges are a legitimate charge on their funds. If the above recommendation is accepted, payment may be made on the post payment system.

I have the honour to be,

Sir,

p. 39 (A) In G.O.No.333 Home (Education) dated the 16th March 1920, a sum of Rs.5000/- was sanctioned by Government for the construction of an Elementary school at Kollegal. By 3-3-1921, a sum of Rs.1232/- was spent out of the grant for acquisition of a part of the site for the building. When further acquisition was in progress, the Government in their order No.366 L & M., dated the 28th February 1921 ordered the refund of the unspent balance of provincial grants. The Taluk Board accordingly refunded Rs.3768/- on 4-3-1922, and applied for a grant of Rs.1797/- for payment of cost of the remaining portion of the site and the Government were pleased to sanction the amount in G.O.No. 2111 Mis L & M., dated the 1st November 1922.

The ites were all [illegible] in dispute between the Taluk Development Officer, Pollachi, against the award of Rs.[illegible] in the Land Acquisition Court, and the amount of Rs.[illegible] deposited in Court in connection with the land acquisition, which amounted in Dec: 1926, to Rs.[illegible]-8-0, in excess of the sanctioned amount of Rs.443-11-2 has to be paid to the Collector of Coimbatore, for payment of pleader's fees, court [illegible]. The Taluk Board has to spend Rs.[illegible] plus Rs.[illegible] for the site already acquired, out of provincial contingency a part of which has already been drawn at the request of the Taluk Board.

The Taluk Board in the past has met with many difficulties in the matter of Rs.1406-4-2 and further the provision has been made in the Budget for the unexpected expenditure.

Government have in para 3 of G.O.M.S.No.[illegible] dated the 9th February 1921, stated that "if a local body finds itself unable to execute an important work for which it has been obliging on a Government grant, it may, after the scheme becomes ripe for execution, apply again for a grant and Government and the application will be considered favourably". The amount required for acquiring the site for constructing an Ele entary school at Pollachi was not only expected from Government, but the Government had actually placed the amount to the credit of Taluk Board funds. The sites were also acquired out of the Government Grant. The excess amount is required as per award of the Court.

Under the circumstances stated above, I request Government will be pleased to pay a contribution of Rs.1406-4-2 during the current year.

I have the honour to be,

According to the B.E. of the Taluk Board for 1927-28 as sanctioned by Govt, the General Acct. is expected to close with a balance of Rs 407 against the minimum balance of Rs 715. This was done after some retrenchments were effected. It is not possible for the Board to meet any such a expenditure from its ~~fund~~ General funds. The Educn Acct for 1927-28 however is expected to close with a balance of Rs 367/5-

The L.S.G. department suggest that the sum of Rs. 443 -11 -6 referred to in paragraph 2 of the draft should be met from the Elementary Education Fund and not from the Board's general revenues. As pointed out by the department there is sufficient balance in the Elementary Education fund to meet the expenditure from that fund.

2. The Advocate-General originally was of opinion that the Elementary Education Fund could be utilized for meeting only expenditure incurred on 'elementary education'i.e. on education in such subjects and up to such standards as may be prescribed and not expenditure in some manner or other connected with elementary education. He therefore considered that expenses on medical inspection of pupils and the pay of clerks employed for maintenance of accounts relating to the Elementary Education fund could not legally be debited to the fund. vide his opinions on pages 2 and 5 of G.O.No. 953 L.E., dated 8.6.25. Subsequently, however, he has modified his opinion and considered that such expenditure could be debited to the Elementary Education fund on the ground that the word 'on' has also the meaning "in relation to " and "connected with "-vide 'A' on page 5 of Notes to G.O.No. 106 Law(Education), dated 25th January 1926. In the circumstances, there seems to be no objection to debiting the law charges referred to in paragraph 2 of the draft to the Elementary Education Fund. Paragraph 2 of the draft has been amended as suggested by the Local Self Government department on page 2 ante.

Submitted that the draft order may be accepted subject to the slight alterations indicated in pencil on page 1.

2. An expenditure of Rs.3,029 from Provincial Funds has already been incurred on the acquisition of the site for the school building. Submitted that the proposal to sanction a further grant of Rs.927 need not be placed before the Finance Committee.

The Law and Education Department have noted that the expenditure, viz. Rs.927 (grant from Provincial funds) may be met from the current year's budget provision of Rs.72,600 for grants to local bodies for the construction of elementary school buildings.
